FISCAL NOTE

HB 2758 - SB 2758

March 2, 2022

SUMMARY OF BILL: Removes a driver license from the list of licenses that can be denied or revoked due to a failure to pay child support.

Removes the requirement that a felon must be current on all child support obligations in order to have voting rights restored.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Based on information provided by the Department of Children's Services (DCS), any fiscal impact to the proceedings of DCS is estimated to be not significant.
- Any increase in the number of felons that may have their voting rights restored is not estimated to have a significant fiscal impact on state or local government.
- Based on information provided by the Department of Safety (DOS), a person who has had their driving privileges revoked due to non-compliance with child support obligations is not subject to a fee in order to have those privileges reinstated; therefore, any fiscal impact to DOS is estimated to be not significant.
